

Faith Not Fear!

“Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand.” - Isaiah 41:10

We are living through some historic events, and it reminds us how small our world really is. Common values like safety, democracy and freedom bring us together. It also reminds us the what we do for the Kingdom is more valuable now than ever. We know the work your ministry does and the support of your charitable network are essential to changing lives. We encourage you to keep your confidence in the Lord and remain steadfast in your faith and work.

Spring Webinars Coming Soon!

Repeated touches bring completion!

“Thank you so much for your assistance and continuously following up with me. If we had left this up to my timeline, we might still be here come fall”

This is what one of our supporters said to us upon completion. She attended a partner sponsored Will Clinic in Sept 2019, appreciated the message, inquired about some specific information but did not request an immediate meeting. A month after the information was shared, she requested to complete the process in the next 6 months, but after following up 4x over the next year there was no response. Two years after the initial presentation, her parent died and she was finally motivated to complete. It took another two months but we met in January and the lawyer is currently completing the legal documents. **Our ministry is to bless your support community!
