

Dear CSS Partner,

Thank you for partnering with Christian Stewardship Services.

For 2023 Partner dues we will continue to calculate one half of your dues based on a proportion of your **Canadian charitable income** from your last financial year. The remaining half will be based on work CSS has done on your behalf as measured by bequest and planned gifts put in place the past three years by CSS. The information below will be used to calculate your dues for the year beginning January 1, 2023. Please provide the figures from the latest financial year that has already closed. We ask that you return this form to CSS by **April 14, 2023**.

Please send form or any questions by email to [bebsiem@cssservices.ca](mailto:bebsiem@cssservices.ca) or by mail to: Christian Stewardship Services, 133 Church Street North, Cambridge, ON N3H 1V8

**A) Accessible Income for fee purposes (Canadian income only), according to the following categories:**
